ABOUT US

The National Council of Women of Qld Inc (NCWQ) is a not-for-profit organisation that advocates and networks to improve the lives of women and families.

With broadly humanitarian and educational objectives, it seeks to raise the awareness of members as to their rights and responsibilities as citizens and encourages their participation in all aspects of community life.

NCWQ aims to:

UNITE associates and societies of women, and of men and women, into an organisation for mutual counsel and cooperation.

WORK for the empowerment of women and families and to promote equal status for women in law and fact.

DEVELOP policies and responses on behalf of women on a state-wide basis.

ACT as a voice on issues and concerns of women at state and regional levels.

LINK with the women of Australia and the International Council of Women through the National Council of Women of Australia and contribute to the implementation of their plans of action and policies.

NCWQ is non-party-political and non-sectarian, and affiliated with National Council of Women of Australia Inc. Ltd. and the International Council of Women.

Our annual bursary program is NCWQ's signature activity. With 34 bursaries offered in 2019, it is anticipated that the 2020 program will present a similar offering.
